

Quality Policy Statement

Vaspal Packaging LLP., is involved in the manufacture of 3 piece tin cans and the associated business administration and has a vision to be among the market leaders in providing various types of packaging products and solutions within India and overseas in the foreseeable future. We will earn our position by providing exceptional quality, outstanding service and great value to the satisfaction of our customers. We will continually innovate and/or adopt appropriate technology to enhance the range, quality and appeal of our products.

The principal way to achieve this is by operating a Quality Management System (QMS) in accordance with the requirements of ISO 9001: 2015.

Top management is committed to:

- Satisfying applicable requirements by ensuring that customer and applicable statutory and regulatory requirements are determined, understood and consistently met.
- Continual improvement of the QMS by ensuring the risks and opportunities that can affect conformity of products and services and the ability to enhance customer satisfaction are determined and addressed and the focus on enhancing customer satisfaction is maintained.
- Establish a quality policy that is appropriate to the purpose and context of the organisation and one which supports its strategic direction.

Top management shall:

- Take accountability for the effectiveness of the QMS and ensure that the QMS achieves its intended results.
- Ensure the quality policy and quality objectives are established for the QMS and are compatible with the context and strategic direction of the Company. Quality objectives have been set and are maintained as part of the QMS internal auditing, monitoring and management review processes, in order to enhance customer satisfaction.
- Promote the use of a process approach and risk-based thinking.
- Ensure that the resources needed such as training, support and encouragement for the QMS are available.
- Communicate the importance of effective quality management and of conforming to the QMS requirements.
- Promote continual improvement.
- We recognize change may occur as a result of customer needs, changes in regulatory compliance, and to support the efficient delivery of consistent products to our customers. We will establish a change management system which will review and document all changes that impact the performance, consistency, and safety of our products.
- Establish partnership with suppliers and interested parties to provide an improved product/service.
- Periodically Review and align the quality policy to the context and strategic direction.

This policy will be communicated to all employees and organisations working or on our behalf.

This policy will be reviewed annually by top management and where deemed necessary will be amended and re-issued. Previous versions of the policy will be archived.

This policy is available to relevant interested parties, upon request.
